Child's photography and filming consent form

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the child or the parent if the child is under 16.

The AALGIFC will take all steps to ensure these images are used solely for the purposes they are intended. Images will be securely stored and used by only appointed members of the club. If you become aware that these images are being used inappropriately you should inform the club immediately.
